

## Announcement of Product Discontinuation

March 2013

Dear NETIMPRESS Flash Programmer customers,

Please be advised that the products listed below will be discontinued as of March 31, 2014. We are reluctantly compelled to come to a decision to discontinue manufacturing these product lines in great demand due to unavailability of their main components and parts. For maintenance support, we will provide for 3 years after the end of the sales and available until March 31, 2017.

(1) Product models to be discontinued:

- MegaNetIMPRESS/C"arNETIMPRESS Main Unit:  
AF320, AF420, AF520, AF620 series

(2) Discontinuation schedules:

- A purchase order for the aforementioned products will be accepted until March 31, 2014.
- A maintenance & repair request will be accepted until March 31, 2017.

We apologize for any inconveniences in advance, and if you plan to purchase our flash programmer products newly or additionally purchase them, we would like to take this opportunity to recommend the successor models NETIMPRESS next (AF430, AF430/CAN) series .

If we may be of assistance to you in some other way, please feel free to contact at:
